

# SEAR Foundation, Inc in the community...

Sear Foundation not only relays on contributions from the community, we give back to the community as well. We invite our youths to join as we get involved with projects such as

Habitat for Humanity  
Paint Your Heart Out

Adopt-A-Spot  
Adopt-A-Road  
Crop Gleaning

Vinceremos Therapeutic Riding Center  
and more.

Enclosed, please find information regarding S.E.A.R. Foundation, Inc. The focus of our non-profit organization is to increase academic and athletic opportunities for our youth beyond the confines of the school setting. It is our belief that with the proper balance, athletics will provide our youth an avenue to demonstrate a wide array of physical skills, abilities, and attitudes about physical activities as well as develop character, discipline, and leadership skills that will enable our youth to be productive participants in their communities.

Our mission is to create and sustain a welcoming, safe, and challenging environment in which youths will establish orderly and workable routines to maximize their engagement and participation in physical activities. In addition, our mission will focus on including logical transition for the teaching of movement concepts and basic mechanical patterns to strategies encouraging social interactions, group problem solving, and critical thinking skills for our youths to become productive leaders in their communities.

Donations made to SEAR Foundation, Inc. will benefit youth athletic organizations, such as R & K "All about Youth Fitness" & Cheerleading Training Center Inc. as well as have a direct impact on educational service activities in the community. Our non-profit organization is registered with GuideStar.org & our Federal ID Solicitation of Contributions Act. Registration # is CH8678

Our Board of Directors & Staff recognizes that partnerships with community resources and local business partners can enrich the quality of our youth and family knowledge to maintain a stimulating, productive setting that will continue to encourage participation, discovery, goal setting, and cooperation that will inspire our youths to demonstrate a wide array of physical skills, abilities, and positive attitudes to help determine their future direction for living a productive, active lifestyle physically, emotionally, academically, spiritually, and socially.

We need your support as a community business partner to make a difference in the lives of our youths. Your sponsorship will help us to provide opportunities for our youths to demonstrate competence in the skills they have learned and help them interact with one another positively, thus reinforcing acceptable social behavior.

Matching donation programs are a big part of corporations' social responsibility initiatives, but awareness of them is often shockingly low. As a result, billions of dollars that can go to deserving nonprofits, towards vital social programs, are never distributed. Below is a short list of companies that offer "Employee Charitable Match" programs. Please inquire to YOUR employer to see if they offer something similar. Your impact could be DOUBLED!
